### Examples (See full guidelines for details)

Trail Work: clearing trails of fallen trees and branches; any maintenance not requiring skilled labor such as trimming back brush, shovel work or clearing obstacles

Skilled Work: chainsaw, carpentry, etc.

Trash Pickup: Picking up and hauling out any type of litter

Education: Interaction with other trail users such as hikers, mountain bikers or other horse riders; organizing or managing clinics open to the public; writing articles for newsletter

Public Clinics or Meetings: Interface with agencies; represent BCH in a booth at a show. Includes preparation and presentation time in addition to travel time and mileage to and from the event

Donated Materials: trash bags, food, educational materials, posts, nails

**REMEMBER, DON'T SELL YOURSELF SHORT!** When you are out on a ride and pick up litter, do trail work and/or interact with other trail users this counts. Any type of volunteer effort will make a difference!

**REPORT HOURS RIGHT AWAY! Memory can be short.**
