Reservations for the Farmer Cabin picnic and/or overnight are required by Wednesday, July 19. Dinner and breakfast will be furnished for those who make a timely reservation.

Please join us on **July 22** for the Farmer Cabin midsummer outing. You can hike, drive, or ride your horses. The Cascade Creek trail is well-used and we have a highline to secure your stock. If you bring an animal, please provide food. You are invited for an overnight at the Cabin where dinner and breakfast will be furnished. Re-live the days when the Cabin was used throughout the summer by the Farmer Family to manage the cattle herd up Cascade Creek. The Cabin is very roomy, so just bring your sleeping bag and mattress. Lighting is by lanterns and a grand fireplace.
Contact Bob Croll at Crollcabins@gmail.com or call 970-844-2083 for reservations.
